Notice LD-579

For: State and County Offices

**Clarifying Policy Granting Relief for FY 2007 Selection of
Milk Income Loss Contract Extension (MILCX) Production Start Month**

Approved by: Deputy Administrator, Farm Programs

1 Clarifying Policy

A Background

Notice LD-574 authorized relief for eligible dairy operations to change their FY 2007 production start month selection from December to either of the following:

- October 2006
- November 2006.

The relief was granted because the selection of October and November was not an option at the time the initial signup for the MILCX program was first announced.

B Purpose

This notice informs State and County Offices that this provision is only applicable to producers who **initially** selected December as the production start month for 2007 during FY 2006. Authorization for this relief is **not** granted for producers who later change their FY 2007 start month to December on CCC-580M.
